

Curriculum vitae

Name: Janno Torop

Birth date: June 10th 1983

Address: Võrumaa county, village Mõniste, 66002, Estonia

Telephone: +372 566 01 622

e-mail: janno.torop@ut.ee; janno.torop@aist.gov.jp

Mirital status: single

Education:

2008-	Doctoral studies (PhD), University of Tartu, Department of Science and Technology
2007	Uppsala University, Sweden. Erasmus exchange student program (I semester)
2006-2008	Tartu University, Master studies in Materials Technology (MSc)
2002-2006	Tartu University, Faculty of Physics and Chemistry (BSc)
2002	Varstu Secondary school

Languages: Estonian- native language
English, Russian

Research activity

I received my M.Sc in Engineering from University of Tartu in 2007. I am currently pursuing a Ph.D at the Department of Science and Technology, University of Tartu under the guidance of Prof. Alvo Aabloo and Dr. Mati Arulepp. My current research is focused on the electroactive properties of carbon materials.

Hobbies: Hunting, fishing, hiking, traveling, reading
